

## Jock of the Bushveld tie-ins from Penguin

In July 2011, '[Jock of the Bushveld](#)', Duncan MacNeillie's full-length 3D animated feature film will be released on South African screens. Penguin Books is publishing a series of film tie-in editions for children to take home and enjoy after seeing the movie. This includes a sticker book, colouring book, activity book, picture book, board book and a novel, based on the film script.
