

More HD channels for SuperSport

SuperSport adds a seventh HD channel to its lineup. SSHD7, the HD version of SS7, will start airing at 10am on Tuesday 22 April 2014 on channel 217 to all DStv Premium customers. It will offer all Barclays Premiership and Champions League football. It will offer a variety of sport including European football leagues; tennis, Sevens rugby, boxing and road running; plus golf, cycling, ice hockey, athletics, basketball, swimming and motorsport. A limited amount of cricket may also feature.
