Co-Founder and Creative director of SceneFlix, Adenola Olateru-Olagbegi, said "The idea is borne out of the desire to deliver top-of-the-range entertainment to movie lovers at exceptional and unrivalled speed."

He said the user-friendly app showcases landmarked cinemas and movie theatres based on updated listings on the go.

"The app enables its users to utilize their power of choice with movie-theatre locations and real-time up to date movie showtimes within the geographic region," he said.
