

## Thirst in the news

Issued by [Thirst Bar Services](#) 16 May 2008

Sanex and *Shape Magazine* held their annual event at one of the hottest new venues in Cape Town, The Runway. To find the new face for the *Shape Magazine* cover, Thirst Bar Services was brought to the party, yet again, to provide that required 'exclusivity' that the function was all about.

The Thirst Bars and Bartenders looked so good that they almost received as much coverage from the photographers and press as the gorgeous models and celebrities on the Runway.

Once again, another exclusive brand satisfied by Thirst in Cape Town.

### Jozi - Sun International

With Sun International's new campaign featuring Charlize Theron, Thirst followed the theme of gold and extravagance, and provided their own, unique form of entertainment for the evening.

Thirst's exclusive vanilla passion martini, dressed in gold dust and designed especially for Sun International, as well as the brave, topless bartenders served cocktails all night providing extravagance and purveying the feeling of luxury to all guests that attended.

It seems as if Thirst is unstoppable at the moment with ever increasing high profile functions, week after week.

Look out for Thirst Bar Services at all your major events and functions across Cape Town and Johannesburg.
