

Seymour tickles creative fancy

Seymour has been hitting the road and visiting the strangest places. Undeterred by some describing him as “fly-by-night” or even “sexy”, Seymour continues his quest for interesting surroundings in the last few rounds of this game, with seriously cool prizes beckoning... especially the grand prizes!

Creatives are having fun finding this elusive on-the-move dude: “Awesome”, “Great fun” are just some of the comments received. (One or two were not so complimentary, as he lived up to his slippery reputation, especially in round 2).

Kudos too, for the Corbis site and its fabulous range of images: “Not fair! We get easily distracted by the thought-provoking images we come across, and there are so many images on this site!” Fortunately this is where the intuitive features of the new Corbis site come in very handy to find exactly what you're looking for...

Follow his next move by checking out www.greatstock.co.za/seymour and see where he will pop up next on www.corbisimages.com... Will you get lucky?

Like we said, he gets around.
