BraaiBoy Corner

Due to space constraints and health & safety to others we have to stop people from bringing in their own braai, gas and potjie equipment. Park Acoustics and BraaiBoy joined forces and will now provide you with a professional braai facility all under the watchful eye of BraaiBoy. He will make sure that the fire is always hot, offer braaing tips and some braai recipes.

So bring some meat along and have some fun in the sun with BraaiBoy.
