

Senior Graphic Designer (Hybrid/Remote)

Location:	Durban
Remote work:	Remote work allowed optional
Education level:	Diploma
Job level:	Senior
Type:	Permanent
Company:	Reload

We're a friendly, boutique agency based in Kloof, Durban and we're on the hunt for an eagle-eyed senior graphic designer with extensive experience in financial/corporate design to help take care of our clients' daily needs. Full remote position negotiable for the right person.

About the role:

This role will suit someone who is very detail-oriented. Your day-to-day work will include designing website banners, mailer headers, adverts, infographics and social media posts in a financial/corporate design style. Larger projects will include the layout and preparation of financial reports, PowerPoint presentations, motion graphic videos (design component only) and exhibition design.

Our clients are lovely, and our work environment a happy one but we move quickly and work to a very high standard.

Education and software skills:

- Min six years of ongoing graphic design experience in an agency environment
- Min three-year degree/diploma in graphic design
- Adobe Suite expert: extensive Illustrator, InDesign and Photoshop experience (all three a must)
- Comfortable in MS Suite, including PPT and Word (we convert a lot of our design work into editable PPT's and you will need to know how to do this or learn how to do this)
- Advantageous: Adobe XD or similar

To apply, email the following to bon@reload.co.za:

1. Your CV with cover letter telling us a bit more about you and the brands you have worked on.
2. Your portfolio. Please include examples of website banners, mailer headers, adverts, infographics, social media posts, PPT presentations and exhibitions in a financial/corporate design style.
3. Your salary expectations (please be clear in this regard).
