

Joburg line-up for Synergy Live 2012

Synergy Live 2012 is back on Saturday, 1 December, 2012, at Riversands Farm, Fourways, Joburg with a line-up featuring The Prodigy as the headline act.

With 25 million records sold, a string of number one hits and a musical career spanning over 20 years, the band are constantly evolving, distorting, and contorting the way that we understand music.

In the early 1990s, The Prodigy's hits like Firestarter, Breathe, and Smack My Bitch Up dominated the airwaves. The band returned to their 'old-school but cutting-edge roots' on their 2009 album "Invaders Must Die", which charted at number one in the UK and Australia. Hits like Omen, Warriors Dance and Take Me To The Hospital enjoyed rotation on 5FM, spawning a whole new generation of The Prodigy fans. Their sixth album, "How To Steal A Jet Fighter" is anticipated for release in 2013.
