

DesignIndaba.com appoints Times Media for advertising sales

The DesignIndaba.com website, a platform emerging from the festival held annually in Cape Town, has appointed Times Media to manage its website's advertising sales.

The DesignIndaba.com website is derived from the longstanding print magazine, a winner of 12 international and six national awards. It is the only African magazine to win the Best Design for New Magazine Award at the Folio Show in New York and won gold again in the Open Category in 2005. In 2009, it was included in Colophon's Top 100 Most Innovative Magazines in the World. In 2015, DesignIndaba.com won a Bookmarks Award in the Specialist Publications category.
