

# Assertive communication skills for women

Your ability to communicate effectively and work well with others can make or break your career.

Contrary to popular belief, the ability to communicate confidently with tact and finesse isn't always a gift that you are born with.

It is actually a skill that can be learned and perfected along the way.

This comprehensive two-day training course will teach you everything you need to know about boosting your assertiveness as a female professional in the workplace.

**Date:** 22 November 2012 to 23 November 2012

**Time:** 08:30 - 16:30

**Venue:** The Wanderers Club, Johannesburg

**Cost:** Save R2000, when you register and pay early!
