

Effective networking

Learn how to network more effectively and put it into practice right away at our Coffee and Conversation event!

Do you ever wonder how to network more efficiently? Do you find networking meetings often daunting? If you like to hear about a few insights on how your networking can be more meaningful, then this talk is for you.

Jessy has been an entrepreneur ever since she arrived in Cape Town in 2003. Networking is a skill she has honed in her many roles and travels. She has developed the 'Go VIRAL' method to turn every networking opportunity into a success.
