

# Healing Medical Cannabis Oil Talk

Join us each month as we bring you topical-related discussions about how CBD OIL, CUPSULES & BALMS can dramatically improve quality of life, help manage symptoms, and provide the extra dose of healing you need in various fields:

(We have medical professionals, experts, and patients, all giving their input and feedback)

We are so excited to be re-launching our MEDICINAL HEALING CANNABIS TALKS, for 2018!

(We have medical professionals, experts, and patients, all giving their input and feedback)

Dates:

16 Jan - ADHD and anxiety

20 Feb - arthritis and rheumatism

20 Mar - cancer

17 Apr - sleep and stress
