

Lavish Occassion Pty Ltd

Lavish Occassion (Pty) Ltd is an event management company. We are still a start-up. We are organising and hosting our very first project in August 2018. The title and theme of the event is 'Business and Career Growth: Young Emerging Leaders'. The seminar is aimed at empowering young women to become the best version of themselves, be it in their careers, business ventures, and finances.

Due to lack of funds and financial constraints, we humbly request that interested organizations sponsor this project for one of the following event priorities :

- Security costs for the day of the event
- Photography costs
- Catering
- Appreciation gifts for guest speakers

The event details are as follows:

Date : 11 August 2018

Time : 12pm - 4pm
