

DionWired Design Your Life Theatre at Decorex

The lineup for the DionWired Design Your Life Theatre at Decorex Cape Town includes South African barista champion Craig Charity, Espresso Show TV chef Zola Nene and Masterchef food jammer Jade de Waal.

The theatre is an opportunity for visitors to take a break from the hundreds of décor and design exhibits and installations on offer, and enjoy some food and beverage demonstrations from local experts. This year, Kitchen Show sponsors the fitted kitchen.

Andrew Jackson, director of DionWired said there was significant synergy between the company and the expo's vision. "Decorex focus on design, décor and lifestyle makes it an ideal partner, as we share similar visions. The boundaries between design, technology and trends have blurred into a fresh creative space, offering personalised lifestyle solutions. I believe this seamless integration of advanced functionality and intuitive design enriches our lives."

Decorex Cape Town runs at the CTICC from 25-28 April 2014. For more information, go to www.decorex.co.za.
