

# Live blogging from US blogger tour of SA

We Blog the World South Africa - a tour of South Africa by [prominent US bloggers](#) who are being hosted by the International Marketing Council of South Africa as part of "[a very exciting experiment](#)" - kicked off this past weekend in Johannesburg. Bizcommunity.com's man on the spot is SA Rocks blogger Nic Haralambous, who is also blogging on the [Bizcommunity editorial blog](#) as well as other platforms. The official blog for the tour is [www.weblogtheworld.com/category/south-africa/](http://www.weblogtheworld.com/category/south-africa/).
