

Apology to Mcebisi Skwatsha

On 19 May 2014 Bizcommunity published an article authored by Mr Ed Herbst entitled "*A slice for the Elite: Cape Town's 2005 media war,*" in which it was alleged, amongst other things, that Mr Mcebisi Skwatsha used the SABC to fight political battles within the ANC for personal gain.

Bizcommunity and Ed Herbst retract the allegations made in the article which are unsubstantiated and collectively unconditionally apologize for any harm caused to Mr Mcebisi Skwatsha by the publication of the article. The article has been removed from our website.
