

DHL rewards the Stormers faithful

DHL Stormers has created a heart-warming video, and is encouraging people to share their stories and reasons as to why they support The Stormers.

The DHL WP Faithful site now has a new page where people can send their messages of support for the boys. People are also welcome to share their stories over Facebook and Twitter.

Share your story with the rest of the DHL Stormers community by going to www.dhlwpfaithful.co.za and signing up.

Collect points, answer quizzes, post across social media and we may reward you and a friend with one of two trips for two to Australia or New Zealand next year. There are also great weekly prizes up for grabs.
