

## DStv launches Walka 4.3

In time for the festive season, DStv Mobile launches the new limited edition Walka 4.3, a slim, lightweight device with a 4.3" viewing screen providing digital visual and audio quality. It has a 16 x 9 aspect ratio and boasts a battery life of 3.5 hours.

It will be available from major retailers at the recommended retail price of R699. For more information, go to [www.dstvmobile.com](http://www.dstvmobile.com).
