

Krone launches Night Nectar Demi-Sec Rosé

Krone launches Night Nectar Demi-Sec Rosé, a bottle-fermented and lees-matured sparkling wine, blending traditional Champagne varieties of Chardonnay and Pinot Noir.

A counterpart to the Krone Night Nectar Demi-Sec, which was launched in 2014, the new range goes well with charcuterie or Asian cuisine, baguette and cheese and fruit desserts or lemon tart. It retails nationally in select liquor retailers and grocers at approximately R110 per bottle.
