

Emperors Palace's 15th Birthday

Ayanda Mthimkhulu of Midrand gets a birds-eye-view of the Emporium at Emperors Palace on Wednesday evening, 9 October as she performs some aerial acts as part of the resort and casino's 15th birthday celebrations.

To commemorate the Vegas of Africa making dreams come true for 15 years the popular East Rand resort and casino is currently running its 15th Birthday Wonderland Promotion with a feast of shows and festivities, that will include concerts by Freshly Ground and Alison Moyet and the spectacular Garden of Lights, on the cards. In addition it will also be giving away R15-million in cars, cash, casino credits and prizes during the four-month long campaign which runs until the end of January next year.
