

The Pentawards 2010 winners

The international panel of judges of the Pentawards, the world's leading competition dedicated exclusively to Packaging Design, chaired by Gerard Caron, has announced its winners for 2010.

The winners of the 2010 Pentawards, the online competition exclusively for packaging design, were presented yesterday, 30 September 2010, in the European Pavilion of the Expo Shanghai 2010.

The awards invited packaging designers, brand owners, packaging suppliers worldwide to enter their best creations in 44 categories divided into the five major sectors of Food, Beverages, Body, Other Markets and Luxury, which were then judged by an international jury comprising 12 professionals from packaging design.
