

The Winners: Daily Maverick's Election Edition of The Gathering

We received many entries that merited being winners, but we could select just the five, and they are: Susanne Venter, Mashapa Abram Ramalepe, Mamash Ngwenya, Riedwan Vally, and Senzo N. Dhlomo. You will be notified shortly via email with details of how to attend [the event](#). But even if you weren't a winner, if you live in Joburg or nearby, why not go along and hear some not-so-sweetheart' questions being asked.
