

Calling all top women students

Time is running out to attend the invitation-only fifth annual [Women's Leadership Conference \(WLC\)](#) on Thursday, 28 August 2008. Women students registered at any South African tertiary education institution who think they have what it takes to secure a seat should register at www.studentvillage.co.za/women. Organised and hosted by youth marketing solutions provider Student Village, the conference will expose young, motivated and talented students to thought leadership from established women in business - leaders who have been there, overcome obstacles and risen to the top.
