

Unilever Solutions participates in World Food Day

Unilever Food Solutions supported World Food Day on 16 October 2017 by donating a chest freezer and by inviting chefs to #ShareAMeal with children at the Pauline Podbrey Foundation in Khayelitsha, Cape Town. The Pauline Podbrey Foundation offers after-school educational support and sports activities to children from the local community and provides them with a daily meal.

The participation by Unilever Food Solutions was an act of standing behind the #ShareAMealSA campaign with Knorr South Africa and FoodForward SA, which is a national non-profit organisation that distributes food to hundreds of verified beneficiary organisations throughout South Africa.

The event was held to mark the importance of World Food Day and Knorr's commitment to donate one meal through FoodForward SA for every Facebook post or tweet of #ShareAMealSA.
