

Is that a Computicket in your pocket?

...Or are you just pleased to be in Margate? Before you turn on the alarm, close the door, double lock the security gate, and make your way to the peaceful environs of the Zulu Kingdom this weekend, please take note of the following important reminders - brought to you by The Loerie Awards.

- Remember to bring your Computicket with you! No ticket, no kulula.com flight, and no show!
- Everyone must register before the awards show - even if you already have your Computicket. Even if you are an Executive Creative Director. Registration is at the Margate Hotel (Marine Drive).
- The Awards show on Saturday 16 September and Sunday 17 September opens at 6:30pm. The awards will start promptly at 7pm.
- There is no parking at the awards venue. Parking is available at registration and you will be able to walk or catch a shuttle to the awards venue.
- Brace yourself: There will be no bar facility during the awards. The awards show on both evenings will be two hours with no intermission. Please join us for the pre-drinks in Margate from 4pm as well as for the after-parties.
- All Student winners will be announced on the Saturday evening.

Now you know everything you need to know for the Loeries Festival Weekend.

Additionally, there will be a welcome desk and bus transfers at the airport, and a 24 hour help-desk at the Registration centre.

A full programme and information package will be provided at registration, and you can visit the official Loerie website for additional information: www.theloerieawards.co.za/festival/calender/.
