

## M-Net renews Decorex SA media sponsorship

Decorex SA has announced that M-Net has renewed its media sponsorship of the décor, design and lifestyle exhibition. Both parties see the partnership as an effective means of creating awareness and offering support to children's charities, with the primary focus being on education.

The theme of M-Net's presence at Decorex SA exhibitions in 2013 will be "Room to Grow". This M-Net Cares space will showcase children's rooms and stimulate ideas for spaces dedicated to children for visitors to Decorex Durban, Cape Town, and Joburg.

The M-Net Cares "Room to Grow" initiative will focus on children's furniture and décor that encourage a happy, nurturing and educational lifestyle. Look out for child-friendly interiors and room settings that cater to the different stages of childhood development. Expect to see an inspiring space ranging from a baby's nursery, a toddler's play area, a tween's learning space and a teen's escape.

### Furniture to be donated

The furniture featured in the M-Net "Room to Grow" space will be donated to underprivileged children, supporting their growth needs and embracing the principals of "do-good design".

Decorex SA kicks off the Decorex Durban 2013 exhibition at the Durban Exhibition Centre, 21 to 24 March. Hours are 10am to 8pm. Tickets: R60 for adults, R50 for pensioners and students, R10 for children under 12.

**Trade day:** Friday, 22 March 2013 (register online).
