

Pearl Valley receives five-star award

Pearl Valley Golf Estates, Paarl has recently been awarded a Five-Star Experience Award for the fourth year running at the Compleat Golfer's Annual Awards Dinner and is only one of 25 SA golf courses so recognised.

Recognising performance excellence in the golfing world, the Compleat Golfer Five-Star Experience Awards celebrates South Africa's top 25 clubs, representing the finest golf experiences in the country.

"It's always a great honour to receive this esteemed acknowledgement from the Compleat Golfer judges. We pride ourselves in preparing our course and the accompanying facilities to the highest standard and providing guests with an unforgettable experience at Pearl Valley," said Pearl Valley Golf Estates' GM, Gawie Marx.

Third-best in SA

Following numerous other awards, including being voted the Third-best Golf Course in South Africa by Golf Digest's Top 100 in 2011, Pearl Valley Golf Estates continues to be one of the most outstanding golf clubs in the country, consistently attracting local, international, amateur and professional golfers to its magnificent setting in the Cape Winelands

Only 40 minute drive from Cape Town, the residential estate is ideally located for meetings, conferences, team-building or just an enjoyable day out with friends and family. The upmarket facility caters for large-scale conferences, banqueting and events, while the estates' fleet of golf carts and superb playing surfaces make for an excellent round of golf.

Jack Nicklaus-designed course

The clubhouse overlooks holes nine and 18 of the Jack Nicklaus-designed course, where players and guests can enjoy a drink or indulge in one of the chef's signature dishes at the Valley Restaurant.

Luxurious self-catering accommodation is available on the estate for long-term rental, holiday letting or for stay-over conference accommodation.
