

Palladium wins Cloup ERP global award

The Acumatica International Partner of the Year Award for 2015 was awarded to Palladium Business Solutions at Acumatica's sixth annual summit in Florida. Palladium Business Solutions is a company that has been offering tailor-made business solutions to businesses throughout Africa, from the single-user SME to large multi-user, multi-site corporate customers.

During the summit, Acumatica also released the version of Acumatica 5.3 the leading Cloud solution for CRM integrated to financials and ERP.
