

## Correction: ABC figures for *Kick Off*, *Sports Illustrated*

Our story earlier this week, [ABCs show break out for Women's Health, declines for old faves](#), incorrectly stated the latest ABC circulation figures for *Kick Off* and *Sports Illustrated*. The correct numbers are that *Sports Illustrated* didn't grow but fell from 30 593 to 25 095 and that *Kick Off* didn't fall but grew to 49 821 from 46 499. We apologies for these errors.
