Halloween 2015 saw the unveiling of Halloween Festival South Africa's (HFSA) breakout theme, "A Nightmare on Bree Street" - the most thrilling Halloween party in South Africa.

The event was a huge success with the invaluable contributions of headline sponsor Kettle One Vodka, alongside the support of Red Bull and Boston Breweries. HFSA provided over 600 Halloween party guests with incredible live performances and music from SA's hottest DJs. Many well-known celebrities were also in attendance, including former Miss South Africa, Cindy Nell, who was dressed up as Mystique from the popular X-Men movies.

A Nightmare on Bree Street was just the first step in HFSA's vision for Halloween and big plans are underway for 2016. "The festival will be expanded, creating a perfect platform to support arts and culture, by providing an opportunity for artists and performers to showcase their talents through Halloween themed creations." - *Craig Nadelman, HFSA Founder.*

Next year, HFSA will be announcing the theme for Halloween 2016 on the 6th of the 6th at 6pm. By taking ownership of this specific date and time, HFSA is planning a special, yearly event. Excited partygoers will await the big reveal of the festival theme, accompanied by the announcement of the 2016 HFSA sponsors. Join us as we grow into the largest Halloween Festival in South Africa.
