- *BDlive*: [Competition Tribunal approves TMG's buyout of Avusa...](#) Good news - apart that is for former CEO Prakash Desai, who received a total pay package of R40.1m last year - is the fact that retrenchments will be limited to just 14 at head office level.
- *ITWeb*: [R7bn digital TV shortfall...](#) Good news for cities in the Northern Cape is that they will be the first to enjoy a digital TV signal on 26 and 27 September. The bad news is that migration from analogue to digital for the rest of us is facing a lack of funding - to the tune of some R7bn.
