

Plastics Conference part of Pro-Plas 2013

Plastics|SA will hold an industry specific conference on Wednesday 13 March 2013, as part of the Pro-Plas Exhibition being held at Nasrec, Johannesburg. The keynote speaker is Dr Wilfried Haensel, executive director of PlasticsEurope. Freek Robinson, Jeremy Maggs and Ruda Landman will moderate panel discussions on subjects such as Growing the South African Plastics Industry, What Impacts on Plastics Packaging and Are Plastics Sustainable.
