

Alto Tour

KZN wine-lovers and viticulture enthusiasts experienced a unique chance to share a table with top winemaker Lauren Snyman when she journeyed to the Zulu Kingdom at the end of October.

Alto hosted a food and wine evening at uShaka Marine World, allowing guests to chat to the winemaker while enjoying a sumptuous meal and sampling some of this award-winning estate's very best varietals.

The evening was a splendid affair and included a five-course meal paired with wines from Alto's world-class collection and the chance to chat to a seasoned winemaker.
