

## AutoZone extends customer support

AutoZone has launched a range of customer support channels to offer support seven days a week through a telephone line, email, mobisite or its newly launched website.

The company has 101 branches, made up of 10 wholesale branches, 91 retail branches and 46 member-owned stores. It provides major brands such as Castrol, Shell, GUD filters, NGK Spark Plugs, LUK products and Safeline brakes and its own brands, such as Ampro tools, Eco-Tech electronic accessories, Auto Kraft tools and accessories, AutoZone chemicals and oils, Eddies Spares for taxis, Elpar electronic components and FEMO hard parts.
