

Hugo Boss Ladies Brunch

On Saturday morning, HUGO BOSS woman hosted an all ladies day of shopping followed by a decadent brunch at Myatt Cafe at the V&A Waterfront.

Cindy Nell, who played MC for the morning welcomed everyone which was followed by some of our beautiful models showcasing the latest fashions. Ladies were then ushered to Myatt Cafe where they enjoyed a decadent three course brunch with tea and coffee.

The highlight of the morning was the lucky prize giveaways which included a Hugo Boss bag and perfume, a one night's stay at the luxury five star hotel, Tintswalo Lodges and a Caribbean Tan hamper.

Some of our guests included Princess Diana's former sister-in-law, Victoria Spencer who was dressed in Hugo Boss for the day as well as Liezel van der Westhuizen, Roxy Louw, Natalie Bridgette Becker and the editor of Marie Claire.
