

Laborie Méthode Cap Classique goes in for elegance

The Laborie Méthode Cap Classique range has redesigned its labels to reflect a new classic look. The Blanc de Blancs 2008 has a classic gunmetal coloured label with touches of gold to complement the seal over the neck of the bottle and the cork. The 2008 Laborie Brut has ivory coloured labels lending quality and distinction and the Laborie Brut Rosé, which joined the MCC offering at the end of 2010, offers packaging with a light soft pink with touches of gold. Recommended retail prices are Blanc de Blancs R99.99, Brut R82.00 and the Rosé at R93.00.
