

Sponsors wanted for Cape Town Pride Festival

Cape Town Pride Festival, one of the premier events on the Cape Town gay, lesbian, bisexual, trans-gendered and intersexed (LGBTI) social and community calendar, will take place 2-11 March 2012 with the main parade on 10 March. Details of the venue for the after party and supporting events will be released later. The 2011 festival had over 100 000 spectators and participants taking part in the street parade and just under 10 000 people attending the after party. Cape Town Pride would like to invite corporate sponsors to take part in the 2012 event. Opportunities include parade floats, print and online exposure, prize and event sponsorship as well as the main after party. For more, email Donovan@lunchboxmedia.co.za.
