

The Embassy Event

Ticket sales are now open for The Embassy Event at the Nasrec Expo Centre, Joburg, for anyone wanting to unlock The Republic of Extra Cold with Castle Lite.

The event will see the likes of Cassper Nyovest and Black Motion fuse genres while Culoe de Song and Moneoa craft soulful sounds like never before. This Extra Cold Experience offers more than music. Expect bespoke collaborations like OKMalumeKoolKat and the BoyznBucks crew using their beats to interpret visual art, and hip hop and percussion collaborations between 1st Project, Red Code Drum Corps and Major League. Plus high-energy DJ sets from DJ Milkshake, DJ Vigilante and DJ Dimplez, who together as MVD, will set the ice cold temperature to -2.5 degrees.

The Embassy Event will also celebrate the Presidential Inauguration of either Pearl Thusi, DJ Warras or Sizwe across four stages on Saturday, 27 June, 2015. Hosted by Comedian Tol A\$\$ Mo and MTV Base VJ Nomuzi Mabena.

Tickets are on sale for R200 a piece. It's limited to just 4000 people, so get yours before it's too late. Tickets can be bought from www.castlelite.co.za.
