

## Lost&Found release debut album

Lost&Found released their eponymous debut single from their website on 12 January, 2016, and, since then, have a tour to Los Angeles from 5 to 16 March in the works and are busy putting distribution in Europe in place.

This alternative duo's debut album, 'Lost&Found', was only made available for sale on their country-wide launch tour, which concludes at Park Acoustics in Pretoria this weekend, but is out now on iTunes.
