

Gear up for the House of Vans Johannesburg

94 Juta Street, Braamfontein will become a creative space, skatepark and music venue during the House of Vans from 25-27 August. It will be a place where imagination lets loose over skate obstacles, art installations, workshops and concert stages, inspiring every person who runs, rolls, or stomps through its door.

Following the success of House of Vans Cape Town in March, Vans has announced the lineup of musical talent, artists and skaters who'll be helping celebrate 50 Years "Off The Wall".

Throughout the event, the House of Vans gallery space will host commissioned art pieces from Black Koki, Danielle Clough and more. Showcasing heritage items from Vans 50 year history, the space will also feature The Story of Vans campaign. Released in March 2016, the campaign puts a spotlight on Vans 50 years of enabling creative expression through the brand's cultural pillars.
