

Texx Talks S7E3: Langa Mavuso

Langa Mavuso is an R&B-soul singer-songwriter whose voice conveys a depth of emotion that will take you on a welcome and willing rollercoaster of feels.

His debut album was one of the best albums of 2020, chronicling the beginning, middle and end of a relationship, and expertly tapped into the rawness of pain, healing and the human condition.

From speaking his own truth to translating that and his vision in unique brand collaborations, Langa is at the forefront of making sure his endeavours work for the queer community at large, all the while wracking up the streams in the millions.
