Candidates who passed the exams, the IEB said, achieved a pass that grants access to tertiary study at one of the three levels:

- 88.59% of the cohort achieved entry to degree study, compared to 89.32% in 2022;
- 8.31% qualified for entry to diploma study, compared to 7.52% in 2022; and
- 1.57% achieved entry for study at the higher certificate level, same as the 1.57% in 2022.

A total of 15,180 candidates wrote the IEB NSC exams in October and November 2023 at 275 examination centres.
