

Foreign Corrupt Practices Act

Know the history and reach of the Foreign Corrupt Practices Act (FCPA) and learn how to comply with its requirements.

OVERVIEW

All companies doing business abroad must worry about the Foreign Corrupt Practices Act (FCPA). This webinar will explain the FCPA's reach, the upswing in enforcement cases, and guide you on how best to comply with its requirements.

WHY SHOULD YOU ATTEND

Our federal government has increased enforcement of the FCPA. Companies are commonly paying tens of millions of dollars, and often more, to settle violations. The FCPA is enforced by the US Department of Justice and the Securities and Exchange Commission, two of the scariest agencies in our federal government. Fortunately, compliance with the FCPA is simple. This webinar will provide the needed guidance.
