The Capital Hotel Group started with two small leased properties in 2008 and today owns six properties across Sandton, including The Capital Empire, Moloko, 20 West, Villa, Hydro and Esprit, with another six at various stages of development including The Capital on Bath in Rosebank (under construction to be launched 2016), Mushroom Park in Sandton (under construction), Hyde Park, a brand new property in Cape Town, The Capital Mirage (opening October 2015), and Menlyn Main to be opened in September 2016.

The Capital Mirage in De Waterkant will have 65 hotel rooms and apartments retail, a gym and spa, restaurants as well as a Sky Bar and pool on the roof.

Managing Director Marc Wachsberger says "the new development offers a lifestyle in a league of its own: This setting offers a fashion, food and entertainment nexus with a vibrant, cosmopolitan energy."

Wachsberger says The Capital's success lies in its combination of the best of both worlds - a full hotel service with the option of self-catering apartments and a host of facilities geared towards the requirements of both business and leisure travellers.

"We are the first new hotel development in Cape Town since the World Cup! Cape Town is an unbeatable international location where the business traveller, the international convention centre and the international traveller are driving hotel demand," he says.

Services will include in-room dining, concierge, uncapped, high speed complimentary WI-Fi, HD full bouquet satellite television, complimentary parking and shuttles to the V&A Waterfront and Cape Town International Convention Centre.

The multi-billion rand 315 000m² Menlyn Maine development in Pretoria is already home to leading corporates and the development of its new Central Square will introduce a 213 room apartment and conferencing hotel, making it the place to meet, socialise, shop, live and work.

Located just off the N1 motorway's Atterbury offramp, the development will have access to nearby transport links, including Gautrain bus stops.

Menlyn Maine is more than a collection of award-winning green buildings in one place. It's designed to be environmentally sustainable, from its sidewalks and streets, to its parks and squares. The executive apartments, hotel and conference concept will be completely integrated with Menlyn Maine Central Square and will be a much-needed offering for Pretoria.

Wachsberger says the new development offers a lifestyle in a league of its own: "Rooms kitted to the highest standard, each living space expertly designed with superb finishes and timeless design from luxury and superior studios to one/two/three bedroom apartments.
