

## WDL Aviation is now a BARIG member

The Board of Airline Representatives in Germany (BARIG) has included WDL Aviation as one of its members. The BARIG represents the interests of around 100 national and international airlines from the passenger, cargo, and tourism sectors.

WDL Aviation was established in 1974 and operates a Europe-wide fleet of aircraft type British Aerospace Bae-146 for passenger and air cargo traffic. Since October 2017, WDL Aviation is part of the Zeitfracht group based in Berlin.
