

## The formal return of Revin John

As of 31 August 2009, the afternoon drive on 94.7 Highveld Stereo will be presented by Revin John, replacing Alex Jay who will move to the mid-morning slot, and Mark Pilgrim will return to his weekend shows, the radio station announced early this afternoon, Thursday 13 August.

[John](#) previously anchored the Top8@8 show on 94.7 and following a stint overseas, returned to the station as a freelancer earlier this year. He will be joined by current afternoon drive news, traffic and sports reporters, Lebogang Nthate, Bailey Schneider and Derek Alberts.

Pilgrim has been temporarily anchoring the mid-morning slot since the departure of Kenny Maistry to Metro FM end of March this year. His regular shows are the Nokia Take 40 SA countdown on Saturdays from 10am to 2pm and the same time slot on Sundays.
