

Thobela FM turns 54

Thobela FM, which started its broadcasting history as Radio Lebowa on 1 June 1960, is ready to celebrate 54 years of broadcasting excellence. The station has lined up a series of events in and around the Limpopo Province for its stakeholders and the public. These include a stakeholders' breakfast, followed by a social responsibility programme and wraps up with a music concert at the Peter Mokaba Rugby Stadium, featuring Selaelo Selota, Teargas, Chomme, HHP, Solly Moholo and Winnie Mashaba. Listeners can also win prizes through the station's broadcasts. For more information, go to www.thobelafm.co.za.
