

Metro FM joins DStv audio bouquet

As of today, Monday, 8 December 2008, Metro FM is now available on the DStv Audio Bouquet channel 181, which broadcasts to South Africa and neighboring Southern African countries Lesotho, Namibia, Botswana, Zimbabwe, Mozambique, Swaziland, Angola, Zambia and Malawi on a 24-hour, seven days a week basis. “We are just too thrilled about the possibility of extending our reach to other African countries. Having been around for 22 years, we feel that our station is in a position to fly our national flag to a wider audience beyond the South African borders,” says Matona Sakupwanya, Metro FM station manager.
