Increasing KwaZulu-Natal tree count with local NPO initiative

Local NPO Blue Sky Society Trust (BSST) along with IT Trailblazers, Network Configurations, and WESSA uMngeni Valley recently teamed up with 120 children from three different schools to plant 250 trees as part of the Trees4KZN initiative.

The Trees4KZN initiative aims at increasing the province's tree count while educating the youth on the importance of planting and nurturing trees.
