

Feral Cat Feeding Scheme sponsorship request

We are the Feral Cat Feeding Scheme. In order to raise funds, we go to various markets/venues in order to keep the cat sanctuary going, **but we cannot do this without transport.**

-Our Very old 1988 VW Microbus car needs continuous extensive repairs as fast as one item is repaired another part falls apart - please could someone or an organisation help us with another vehicle or assist us

-Need donations to keep our cat sanctuary going

-At present, the gearbox has been taken out and we have been told that because it is so old parts cannot be found

-Other problems are white smoke coming from the back - this we have been told is that it needs an overhaul, brakes, carburettor, petrol leak

So we urgently need someone who is able to donate or help finance another gearbox/or vehicle.

This is an urgent appeal to everybody who loves cats.

Please can you help us.

Contact Toni on 071 361 1488 or Steve on 087 462 8176.
